

Calgary Parking Event Rental Guidelines

Introduction

Thank you for your interest in utilizing the land and/or buildings operated by Calgary Parking (CP) for your Event. This manual has been created as a guideline to help assist you with the application process and is intended to identify areas which may have an impact on the planning and execution of your Event. We encourage you to review this manual in its entirety. *Please note that any application for use of City of Calgary owned lands and/or buildings that are not stewarded by CP must be completed and submitted directly to The City of Calgary pursuant to the **Festival and Event Manual** (see link in the Resources section of this Guideline in Appendix II).*

Important Information

Application and Supporting Documentation Timelines – Applications for events take place on an on-going basis throughout the year, in accordance with the application process outlined in this manual. Event Applications are required a minimum of 30 days prior to your Event for surface lot locations parkades. Applications can be submitted as far as 4 months prior to your Event.

How much will it cost me to rent a parking lot?

CP's Event Rental Rates are set in accordance with the City's [User Fees and Subsidies Policy](#) and the CP's [Off-Street Parking Pricing Policy](#). Web links to both policies can be found in the Resources section. Rates are determined by the type of organization hosting the event. See Appendix I for rates.

Insurance - Your organization is required to, at its sole expense, obtain from insurers licensed in Alberta a Commercial General Liability insurance policy for bodily injury (including death) and property damage and such other insurance policies as may be required by CP based on the nature and duration of your Event. Such requirements will be set out in the Temporary Use Agreement for signature by your Organization. The insurance coverage must be maintained for the duration of the event, including setup and takedown dates.

Final approval will not be given until the Certificate of Insurance is submitted to CP prior to your event set up day.

Cancellation – CP may reject, modify, postpone or cancel the Event for one or more of the following reasons, at any time, if there are reasonable grounds to believe that the holding or continuation of the Event:

- Poses a risk to the health or safety of any person;
- Poses a risk of damage to property;
- Is in contravention of any applicable law;
- Is deemed by CP, in its sole discretion, to be not in the public interest; or
- Where CP is unable to provide the requested site.

If, for any reason, the Event is cancelled or postponed, your Organization will be responsible for paying the non-refundable Administration Fee.

You may terminate this Event, for any reason, prior to commencement of the Event. If your Organization terminates the Event under this paragraph, you acknowledge and agree that it will be responsible for paying the non-refundable Administration Fee.

Event Rental Application Process

STEP 1

Event Rental Request Form

The Event Rental Request Form provides the CP with all the basic details of your proposed event. Please complete the appropriate Request Form and submit it via email to parkingeventrentals@calgary.ca. Upon receipt, CP will verify the availability of the venue and confirm the use of the requested site.

Note: If your event includes one or more of: alcohol, cannabis, more than 600 sq.ft. of tenting, a building permit, more than 10,000 people or assistance from another City Business Unit, you will be required to submit through the Festival & Events team. Their process requires a minimum 90 days notice, so please plan accordingly to ensure you apply within the timelines. The Event Opportunity Form and instructions can be found here: <https://www.calgary.ca/arts-culture/festivals/planning-support.html>.

STEP 2

Site Details Forms (if necessary)

The Site Details Forms* include an Emergency Response Plan Template and a Site Map. CP will send these forms to you upon receipt of the completed Event Rental Request Form. The applicant must complete both forms to CP standards and return them via email to parkingeventrentals@calgary.ca.

Note: If all required forms are not returned prior to the Event, CP may refuse to accept the application.

STEP 3

Temporary Use License

Once the Site Details Forms have been approved, the venue confirmed and conditions determined, a Temporary Use License will be generated, which outlines the terms and conditions of the agreement, the cost of the services and the expectations CP has of the event organizer. The applicant must have this form signed and returned to the CP via email at parkingeventrentals@calgary.ca.

STEP 4

Approval

The License of Occupation will be signed and a copy returned to the applicant for their records.
Note: External agency permits and permissions are not included in Temporary Use License and are the responsibility of the applicant to obtain. These include but are not limited to Alberta Gaming and Liquor Commission (AGLC) and Alberta Health Services (AHS).
